1/ Outreach College (UH Manoa); formerly called College of Continuing Education and Community Service. Merged with UH Manoa in Fall 1999.

2/ In Fall 2002, the UH Community Colleges migrated to a new student registration system, resulting in a large increase in no data on previous college. Efforts to improve the data quality are ongoing.

3/ Data for UH Manoa includes Outreach College, beginning Fall 1999.

4/ Due to a computer irregularity, transfers into Maui are understated. The total for Fall 1994 was approximately 120.

Note: In Fall 1997, numbers for all years were adjusted to exclude graduate students. Therefore, the figures shown here may differ from those in reports published before 1997.

V% = Vertical percentage; H% = Horizontal percentage.

Note: In Fall 1999, numbers for all years were adjusted to include specials.
