Funding Request Form¹

<p>A. UH System/UHCC System: Strategic Outcome #4 Globally Competitive Workforce: Address critical workforce shortages and prepare students (undergraduate, graduate, and professionals) to be leaders in a globally competitive economy.</p>																												
<p>B. HCC Strategy: Expand and Enhance Existing Program</p>																												
<p>C. College Mission: Serve the Pacific Rim as the primary technical training center in areas such as transportation, information technology, education, communications, construction and public and personal services.</p>																												
<p>D. Program Mission: The Occupational & Environmental Safety Management program's mission is to: 1) Provide the community with affordable, flexible, and up-to-date training on occupational and environmental safety and health. 2) Promote workplace health & safety and environmental protection through education and training.</p>																												
<p>E. Program Review: This year's annual program review revealed the need to ensure that students are appropriately trained as required by the Occupational Safety and Health Administration (OSHA) and current industry standard. Since the existing equipment is reaching the end-of-service-life, it is essential to acquire replacement.</p>
