

2008-2009 Committee on Social Equity
End of the year report

COSE met every month beginning in September 2008 and continuing until April 2009. Members were Janet Garcia, Fumi Takasugi, Kimberly Gallant, Eric Shaffer, and Charlene Gima (chair).

Having received a \$1,000.00 grant from SEED, COSE used the money to purchase 6 new titles to add to the COSE DVD collection housed in HCC library. The DVDs are currently in the process of being catalogued. The committee also discussed the possibility of hosting monthly video showings in the future to promote discussion and education of social equity.

Respectfully submitted,

Charlene Gima, Chair
